Circular for Summer Research Internship

Greetings from Brainology Scientific Academy of Jharkhand!

We are excited to announce our Summer Research Internship program for the year 2023. This program is designed for students pursuing undergraduate or postgraduate studies in life sciences who are interested in gaining Scientific writing and exposure experience.

Purpose: The purpose of this program is to provide students with an opportunity to gain experience in scientific writing and exposure in life sciences research, and to contribute to ongoing research projects at our institute.

Objectives:

- To expose students to the latest research trends
- To provide students with an opportunity to work on ongoing research projects and possibility to contribute for review papers at our institute
- To develop students' scientific skills and knowledge
- To foster collaboration between students and researchers at our institute

Eligibility:

- Undergraduate or postgraduate students pursuing studies in life sciences
- Students who have completed at least two years of their undergraduate studies
- Pass outs can also apply

Experience Certificate:

Students who successfully complete the internship will be awarded an experience certificate from our institute, which can be a valuable addition to their resumes.

Duration and fee:

Application Fee- 1500/-

Form - <https://forms.gle/AXws7KHBJKAXdckBA>
